## Who are we?

AGLC have been trading for 10 years. We supply learning solutions to a wide range of organisations

Leadership is the key to almost every successful organisation. This course is designed to get you started thinking about what makes a good leader.

Effective leaders develop their own leadership style. That takes time and experience, but our online course will give you insights to think about and tips to start you on your journey to becoming a great leader

from local small companies to the UK Dept of BEIS, Universities and the World Bank amongst other global agencies.
